

IMPORTANT ANNOUNCEMENT PLEASE READ CAREFULLY

It has come to our attention that the Worcester Public Schools who provide our busing have decided to exercise their option to provide busing on their scheduled 180 days of school.

In the past we have been able to receive buses when the Worcester Public Schools were closed for professional development days. That is no longer the case.

Fortunately there is only one conflict this year. We are not able to receive buses on Friday, October 9, 2009.

Therefore the Worcester Catholic Schools at the direction of Dr. Josephson, Superintendent need to make a change in our calendar.

We will not have school on Friday, October 9. We will however have school on Monday, December 14.

There are no other conflicts with busing in our calendar. All other professional development days for our staff will remain.

November 2, February 22, and April 26.

Thank you for your understanding,

Mrs. Meg Kursonis
