Nature's Classroom: Our 6th Grade attended Nature's Classroom last week. All the students had a great time and learned so much about themselves as well as their classmates. THANK YOU to Mrs. Gregoire who spent the whole week with our students at Nature's Classroom. Grade 6 would like to also thank Mr. Coonan, Mr. Phillips, Ms Woods, Ms Kontulis and Mrs. Kursonis for spending a night or two to help chaperone and care for our students. A great time was had by all.

Progress Reports for Grades 6-8 will go home today. Please sign and return on Tuesday.

Auction Meeting: Every year our school hosts an Auction. It's a fun night for our parents and their friends to join together to support our school. Our first Auction Meeting will be held on Wednesday, **October 21** @ 6:30pm in the Resource Library. We are looking for new ideas and someone to help with our Annual Auction. If you would like to help but can not attend our first meeting please send your name, number and email to the office and a committee member will contact you. More information regarding our Auction will go home soon.

Fright Night: Fright Night is quickly approaching. We have had a good response for volunteers however; we still need people to help the night of Fright Night from 6:15 to 9:00pm. If you are able to solicit donations of ice cream, nacho chips, cheese sauce, water etc. we would appreciate it. If you would like to help, please contact Suzanne Robichaud Arndt or email

www.madame.bear@gmail.com.

Our enrollment has grown significantly; therefore it is imperative that this party include our immediate family members only. We can no longer accommodate cousins and friends. Please help us to adhere to this policy.
