A note from the Reading Specialist: Over the last two weeks over two dozen school administrators, teachers, and literacy specialists from around the country have visited St. Peter's to observe our Reading Intervention and Enrichment programs. Our guests were extremely impressed with the quality of the instruction they viewed, the respect and happiness of the students, and the professionalism of the faculty. One of the visitors noted that "St. Peter's is just one of the best places in the country for a child to go to school!"

Speaking of our intervention programs, all of our benchmark testing has been completed in Grades 1-5. The scores will be available at upcoming parent meetings.

A note from Mrs. Kursonis: Please read and save the enclosed information for St. Peter Central Catholic's policy regarding the H1N1 and the seasonal flu. These guidelines are in compliance with the State and Worcester recommendations.

Cross Country: The cross country team did a great job competing in Uxbridge yesterday against OLV and OLA. The boys' team won with James Bowler coming in 2nd overall. The girls' team lost by one point despite the outstanding efforts of Jane Clark, Julia Crowley and Caroline Clark. Everyone tried very hard for the team and there were so many very close finishes through out the meet. Congratulations to runners in grades 5-8. Keep up the great work!
